Dr. Edward Braithwaite Banquetted.

Dr. Edward Braithwaite, of "G" Division, N.W.M.P., was banquetted at Fort Saskatchewan on Monday evening, the 4th inst., the occasion being his leaving the force and Fort Saskatchewan. Dr. Braithwaite is one of the most successful and popular medical men the force has ever had, and it was with regret that the members of the division heard they were to lose him. The usual toasts were given, and when the chairman arose and proposed "the guest of the evening, our comrade, and everyone's friend," such a burst of cheering greeted Dr. Braithwaite that it was some minutes before he could speak. He thanked everyone for the honor done him, and in a few well chosen words made feeling remarks on the great kindness that had always been shown him by the officers, non-commissioned officers and men of the force, no matter where he had been stationed, and also by the citizens everywhere. He said he was leaving the force for the purpose of practicing his profession in Edmonton, and that he was grateful to that town for the kindly manner in which he had been received. Other toasts and songs were given, and one of the most successful banquets ever held at Fort Saskatchewan was brought to a close with "Auld Lang Syne" and "God Save the Queen."
